Architecturally inspired designs accented with high quality finishes, stained timber and steel entry statements and palm lined entrances, Bayside will be the future address for only a fortunate few.

Attention to detail

Surrounding your home is a wonderfully rounded community with tree lined streets, landscaped common areas, palm lined roundabouts, well developed parklands and family oriented cul-de-sacs.

The heart of a community

Bayside is central to a thriving community with modern restaurants, shops and dinemas. Three major shopping centres and three exclusive private schools are within a few minutes drive. You can even leave the car at home with public transport right at your door.

Endless summers of family memories

For the nautical adventurer, Bayside features boat ramps and marina facilities on the doorstep of Cape Moreton. Cherished family memories of endless summers enjoying life at the beach.
