

RIVERSIDE WATERS EDGE

Boutique Riverside Community

Waters Edge at Bellmere

In Brisbane's established northern corridor, a new address has been created. It is Waters Edge, an estate which simply improves on nature's offering.

Each block has been carefully designed, to take advantage of the stunning views and cool breezes afforded by the unique riverside position. These level and benched blocks vary from 600sqm to 800sqm in size which in turn has created the perfect, individual building platform for you to create your own dream lifestyle home.

Architectural design and thoughtful landscape planning also combine to deliver an overall environment which embraces green space. Mature trees have been established, blending with landscaped exposed rock, crossovers and footpaths.

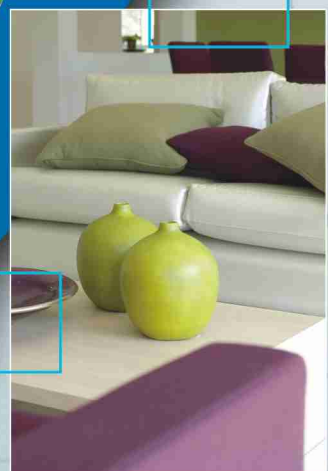

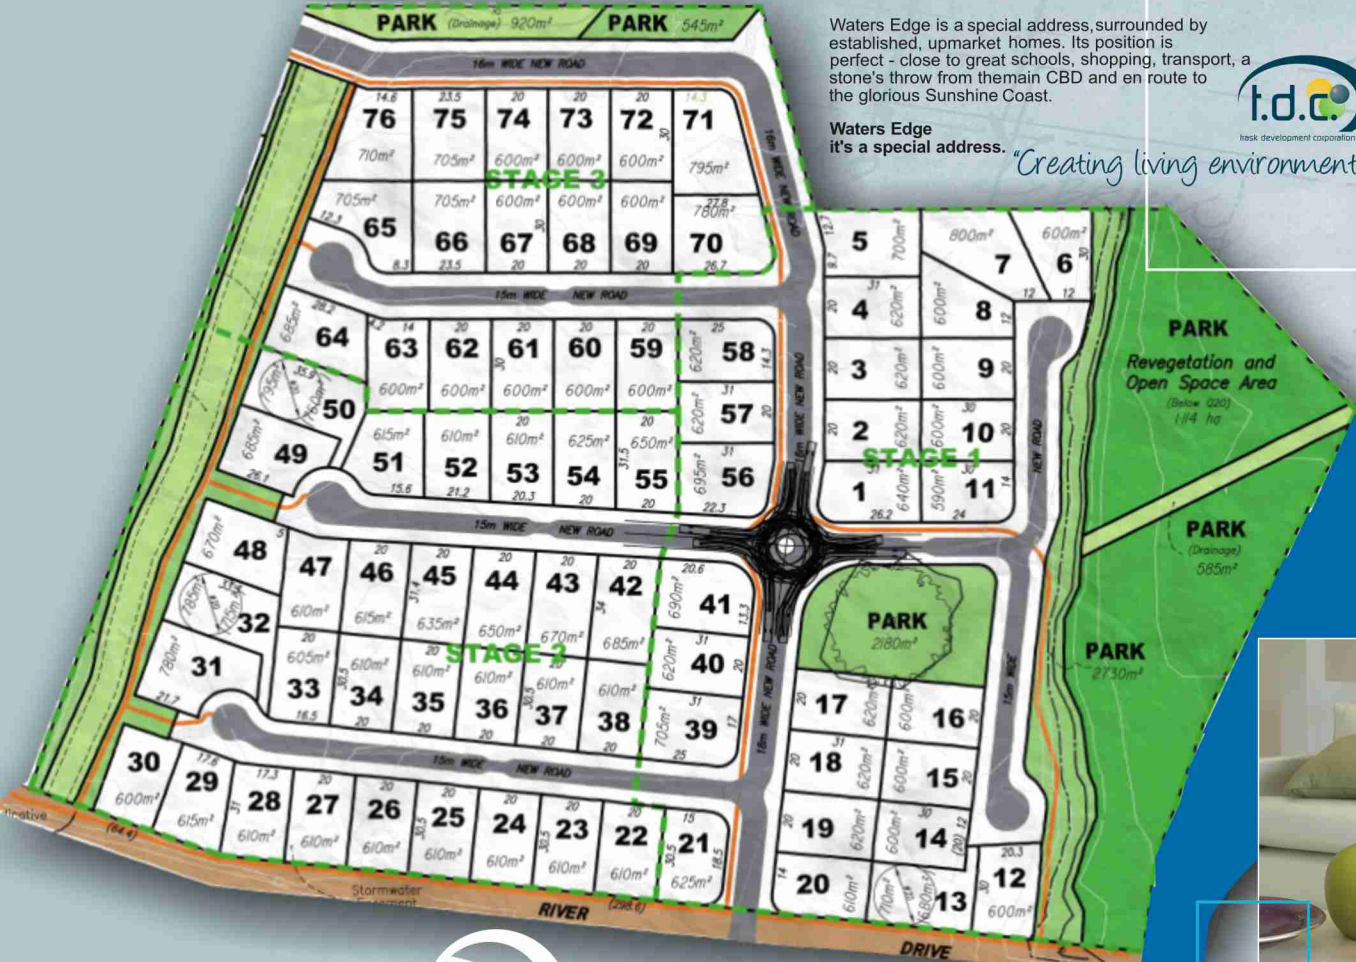

A mixed media entry statement reflects the natural living environment of Waters Edge.

Waters Edge is a special address, surrounded by established, upmarket homes. Its position is perfect - close to great schools, shopping, transport, a stone's throw from the main CBD and en route to the glorious Sunshine Coast.

Waters Edge it's a special address.
